

# What's Next

**The access management plan is part of an overall corridor plan for U.S. 95. The next steps include:**

---

**Summer/Fall 2009**

*Distribute the draft U.S. 95 Corridor Plan.*

---

**Fall/Winter 2009/2010**

*Work with local jurisdictions to conduct public hearings.*

---

**Winter 2009/2010**

*Publish the final corridor plan.*

---

Updates will be posted to [www.itd.idaho.gov](http://www.itd.idaho.gov) (click on *Projects* and *Southwest Idaho*).

**Thank you for attending.**
